# STRENGTHENING THE INDUSTRIAL SECTORS OF EUROPE

Team Navigators move coolers, reactors and seal gas storage tanks to Europe

**Media release Dubai Mar 2025:** Large volume of coolers, reactors and seal gas storage tanks were moved by the industrial projects team at Navigators in a meticulously planned operation. The movement was carried out from Jebel Ali to Europe.

The projects cargo which was loaded at Jebel Ali was moved to the project destination in Europe as per scheduled, like the previous project cargo operations. A comprehensive survey and study were undertaken to maintain the accurate timelines and to avoid hurdles in-between.

Close to 4000 cbm was the volume of the cargo which weighed 650 tons, was moved by the experienced projects team at Navigators.

The end-to-end scope of work was prepared, documented and submitted for the client approval, prior to the execution of the project. All the necessary documentation works were fulfilled on time to ensure a hassle-free onward ocean bound journey of the cargo. Special equipments were used for lifting and loading the cargo onto the vessel.

Navigators Shipping and Logistica is associated with multi-national companies and nations across the globe for project cargo movements with the highest level of commitment. The critically acclaimed nation building projects undertaken by the company include the Etihad rail, Neom and the Hatta projects which were recognized with international awards and accolades in the past.

## 'IFTAR ON WHEELS' TO DISTRIBUTE THOUSANDS OF RAMADAN FOOD BOXES

Ramadan food kits are set to be donated to thousands of needy across the UAE under Amazon's annual 'Iftar on Wheels' programme that kicked off recently. The food kits will have essentials like rice, flour, sugar, oil, tea, pasta, dates, and milk powders.

The preparation for this initiative, which is being held in collaboration with UAE bank, began by the end of February, just two days before ramadan, when around 60 Amazon employees sporting their orange volunteer shirts gathered to pack food kits. This time they weren't only for the customers but also for the people in need.

### DP WORLD RECORDS HIGHEST CARGO VOLUME AT JEBEL ALI PORT SINCE 2015

DP World has delivered another standout year for trade, recording its highest container and breakbulk cargo volume at Jebel Ali Port since 2015.

The port handled 15.5 million 20 feet equivalent units (TEUs) in 2024, up 1 million TEUs on the previous year. This marks the highest throughput since 2015, reinforcing Jebel Ali's position as the leading trade and logistics hub in the region, even amid ongoing supply chain disruptions. The figure represents nearly 18% of DP World's total global container throughput of 88.3 million TEUs for the year. Breakbulk cargo also saw significant growth, surging by 23% year-on-year to reach 5.4 million metric tonnes (MTs) - the second highest performance in nearly a decade.

## AD PORTS OPENS FIRST INLAND DRY PORT FACILITY IN ABU DHABI

AD Ports Group, an enabler of integrated trade, transport and logistics solutions, today announced the inauguration of a new custom bound inland dry port facility, enhancing the connectivity of Khalifa Port and elevating the quality of logistics services across the UAE.

Al Faya Dry Port, strategically located between Abu Dhabi and Dubai, will act as an Inland Container Depot (ICD) linked overland to Khalifa Port, offering a transit terminal for trucks and thus improving speed to market, and more cost-efficient cargo handling operations for Dubai and the Northern Emirates.

Al Faya Dry Port will serve CMA CGM as its first key client but will be scaled upto also serve AD Ports Group's other strategic shipping partners at Khalifa Port such as Cosco and MSC. Depending on market demand, other ICDs could also be put in place across Abu Dhabi, AD Ports said.
